An inspirational story for Peace on Earth now
on the centenary of the WWI Armistice

Sunday 11 November 2018 at 5pm

The Chapel, Australian Centre

for Christianity and Culture, Canberra

In 2015, we told the forgotten story of 1300 women
who gathered for the only international peace
congress of WWI and set a 100-year agenda for
advances in human rights. Now we sing the story
on into people's movements today.
