WAR! WHAT FOR?

An anti-WWI
centenary
newspaper

We decided to publish these articles after finding many activists felt a need for material to counter the propaganda offensive from the government and other militarists.

Tom Bramble explains the origins of the war in a preceding global crisis of capitalism.

Tom O'Lincoln considers why Australia joined the war.

Mick Armstrong discusses how workers turned against the war.

The authors are all long-standing left activists and members of Socialist Alternative.
